

The notebook that gathers no moss.

Notebook with paper made from stone and a cover made from recycled paper.

When using paper made from stone you ensure no trees were sacrificed, less water and no bleach was used in the paper manufacturing process.

Paper made from stone is anti bacterial, tear and smudge resistant, waterproof, grease proof and you can write on it with your keys as well as most writing instruments.

This is truly TREE FREE PAPER which leaves no stone unturned.

Stone paper rocks - because its tree free.

Step up to stone paper.

You will soon be writing on stone, just like Moses did all those years ago.
